

BENHAM'S GROVE  
CONSTRUCTION ACKNOWLEDGMENT AND WAIVER

The City of Centerville's Benham's Grove facility will undergo construction beginning January 2024, which may encompass several areas of the Benham's Grove grounds including, but not limited to, the Barn, the Gerber House, the Gazebo, the parking area, and the open land north of the parking lot. The construction activities may include but are not limited to renovations, repairs, or improvements being carried out in or around the facilities.

I acknowledge that construction may be occurring during the dates of my event rental and assume all risks associated with having an event during such construction. I understand and agree that such construction activities may pose potential hazards or inconveniences, including noise, dust, restricted access to certain areas, or temporary modifications to the layout of the facilities. With full awareness and appreciation of the construction, I willingly choose to participate in activities on City of Centerville property during construction.
